

Dear Parents/Carers,

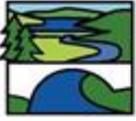

Another busy week and we're not quite sure what's happened to the sunshine but let's hope it makes a return soon! I've enjoyed meeting with Neil and Linda from The Boe Rigg to discuss new menus for after half-term, which we will share next week. The options look delicious and I'd like to thank them for all of their efforts in creating tasty, fresh meals for our pupils on a daily basis. Arrangements are being finalised for next year's residential visits and we will be able to send out letters next week to see who would be interested in attending. Have a lovely weekend!

Lindsay Hamilton

Wonderful Wood!

Y7 have been investigating and considering the impact of new uses of wood products on people, society and the planet. With this in mind, they have researched lots of design ideas in order to create a useful product, while considering the environmental impact of their choices. Here they are, hard at work!

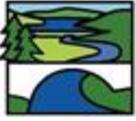

Mmmmm...!

Y6 excelled once more in the kitchen this week as they created some wonderful spring rolls!

This week's 'Star Chef' goes to Brooke who chopped, sliced, rolled and baked like a professional! Well done, Brooke!

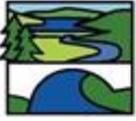

Pinch Pots

Y5 have demonstrated some wonderful skills this week as they began work on their pinch pots. Clay can be tricky to manipulate but we think you'll agree, they've got off to a flying start. Well done, Y5!

Sporting Stars!

KS2 were practising their frisbee throwing techniques this week, which provides great experience before they move onto using the discus in KS3.

School News

Northumbria Police have shared an important leaflet for parents and carers about County Lines. County Lines is where illegal drugs are transported from one area to another, often across police and local authority boundaries (although not exclusively), usually by children or vulnerable people who are coerced into it by gangs. The 'County Line' is the mobile phone line used to take the orders of drugs. This leaflet provides information on the warning signs for parents/carers to look out for and tips on what they can do to help. At the bottom of the document, contact numbers/email addresses are provided for people to seek help, advice or guidance with anything County Lines related.
