

## Addendum to School Behaviour & Motivation Policy - September 2020

- Our school Behaviour and Motivation Policy outlines very clearly our aims, roles and responsibilities, rewards and sanctions as well as dealing with different types of behaviour.
- Because of COVID-19, we appreciate that homework may be difficult for some pupils to complete as we are not able to offer a lunchtime homework club as 'bubbles' are not currently mixing. Therefore, at present, staff will not go through the hierarchy of sanctions when homework is not handed in.
- In order to help our pupils settle back into classroom routines as easily and as quickly as possible, we have re-addressed our school rules and expect pupils to follow these at all times:
  - **Show respect to others at all times**
  - **Follow instructions the first time they are given**
  - **Help others to learn**
  - **Actively listen**
  - **Actively learn**
- Where behaviour has fallen below what is expected, the amended hierarchy of sanctions will be followed (see below).

**Due to the nature of the current Coronavirus pandemic, any pupil who deliberately coughs or spits towards any person will be deemed a serious behaviour incident and the higher level sanction as defined in our Behaviour & Motivation Policy will be applied.**

### Examples of 'more serious' behaviours:

- Violence
- Swearing
- Racism/sexism/homophobia
- Bullying
- Vandalism
- Defiance
- Stealing
